Notice of Decision: Reference Number 14/00660/FULPP

**NOTIFICATION**

**Appeals to the Secretary of State**

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for Transport, Local Government and the Regions under Section 78 of the Town and Country Planning Act 1990.
2. If you want to appeal and your proposal is for a 'Householder' extension then you must do so **within 12 Weeks of the date of this notice**. For all other appeals the time limit is **Six Months**. Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 0000) or online at [www.planningportal.gov.uk](http://www.planningportal.gov.uk). There is further help and guidance in the Appeals area of the Planning Portal website.
3. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally use this power unless there are special circumstances.
4. The Secretary of State need not consider an appeal if it seems that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
5. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

**Purchase Notices**

1. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
2. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
3. The applicant is recommended to retain this form with the title deeds of the property.

**Notes Specific to any Grant of Planning Permission**

1. Any grant of permission does not purport to convey any approval or consent which may be required under the Town and Country Planning Act 1990 otherwise than under Sections 69-76 or which may be required under any other Acts including any Byelaws, Orders or Regulations made under such other Acts.
2. Developers are reminded that any grant of planning permission does not entitle them to obstruct a right of way and that, if it is necessary to stop up or divert a right of way in order to enable the development to be carried out, they should apply without delay:- a) in the case of a footpath or bridleway, for an Authority under Section 257 of the Town and Country Planning Act 1990; b) in any other case to the Secretary of State for an Order under Section 247 of the Town and Country Planning Act 1990;
3. Attention is drawn to the provisions of Section 12 of the Hampshire Act 1983 relating to access for the Fire Brigade. A copy of the Section can be obtained at the local planning office.

**IMPORTANT** - Any failure to adhere to the details of any plans approved or to comply with any conditions detailed in this notice constitutes a contravention of the provisions of the Town and Country Planning Act 1990 in respect of which enforcement action may be taken. If you want to amend approved development, you should consult the Council at the address overleaf before carrying out any work.
